to provide for the adoption of the 2017 tax rates

Council will hold a special meeting to discuss Provincial and County imposed amendments to the 2017 tax rates, ratios and by-law. The province has implemented a new tax class which must be included in each municipality's by-laws for 2017. This has resulted in delays in taxation. The County will hold their meeting July 26, 2017. Tax bills we be created and circulated as soon as possible after that date.
