

Form EL15 Instructions

All EL15 forms (Application to Amend Voters List) need to be filled out and must have an approved government ID accompanying them. Forms can be obtained at the Head, Clara, Maria Townhall or downloaded from the link on the website. Once these forms are completed, please contact Ben Maher at 613-401-3168 to arrange a meeting to have your form approved in person. Alternatively, if you cannot make it into the Townhall please email your EL15 form to a-il@headclaramaria.ca along with a copy of your approved government ID and your phone number so contact can be made and your new information can be verified and added to the voters list.
