

EMPLOYMENT OPPORTUNITY

Environmental Services Technician

Schedule: Tuesday–Saturday

Salary: \$32.05–\$40.06 per hour

Benefits: Comprehensive benefits and RRSP program (OMERS not available)

About the Role:

The Environmental Services Technician supports municipal solid waste and landfill operations. This role ensures safe and compliant delivery of waste collection and disposal services.

Key Responsibilities:

- Support solid waste collection and disposal services
- Manage day-to-day operations of two active landfills and one closed landfill
- Ensure compliance with Environmental Compliance Approvals (ECAs)
- Conduct site inspections, record-keeping, monitoring, and reporting
- Implement environmental controls, health and safety practices, and regulatory requirements

Qualifications:

- College diploma or equivalent in Environmental Studies, Waste Management, or related field
- Minimum 2–4 years of experience in solid waste management, landfill operations, or environmental services
- Knowledge of Environmental Compliance Approvals (ECAs) and applicable environmental legislation
- Experience with site inspections, monitoring, and record-keeping
- Valid Ontario Class G driver's license

- Strong attention to detail, health and safety awareness, and teamwork skills

How to Apply:

The full job profile and responsibilities are included in the application package. To receive the package, register by **January 30, 2026, at 12:00 p.m.** via email: **HR@e4m.solutions**

Completed application packages must be submitted by **February 9, 2026, at 12:00 p.m.**

Accessibility:

The United Townships of Head, Clara and Maria is committed to an inclusive recruitment process. Accommodations are available upon request.
